

Help Your Child! Help Our School!

Your Time and Talents! Arbor Heights Needs You!

Now is the time to sign-up for the 2010-2011 volunteer positions. Your time, effort and expertise provide a solid foundation for building a great school for our children.

Research shows that when parents are involved in their children's education, the children are more likely to earn better grades, have better social skills, attend school regularly, be more positive in their attitude toward school, graduate and continue their education, among other beneficial results.

Without volunteers, these programs would not be available! ***Please fill out this form and return the flyer to the school office or your child's teacher today!*** You will be contacted by the AHPTSA coordinator. See the Arbor Heights website for descriptions.

THANK YOU!
